

STD17

FLAT SCREEN FLOOR STAND/TROLLEY

FOR ONE 37"-60" SCREEN

STD17 is a perfect solution for presenting the screen in an elegant and, at the same time, safe manner. The stand is universal and, due to its wide range of height adjustments, it can easily be adapted to many types of screens available on the market. A solid and stable base with the possibility of assembly to the floor makes it perfect for various rooms from hotel lobbies to conference rooms. The included locked casters provide mobility, which allows you to use the stand as a trolley and increases the range of product applications. Integrated cable management makes the finished installation neat and tidy, and as such STD17 is perfect for professional or commercial applications. This product features an interesting design combined with functionality.

FEATURES

- Multifunctional base for use as a stand or trolley (castors included)
- Seamless height adjustment
- Universal VESA mount suitable for multiple screen types
- Integrated cable management system
- Base able for disassembly for easier transportation
