## Menu Board Wall Mount with Pop-Out

modular 2x1 for 42"-47" Screens

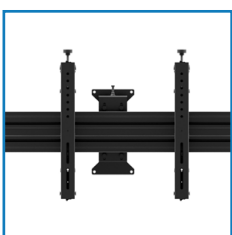

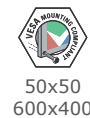

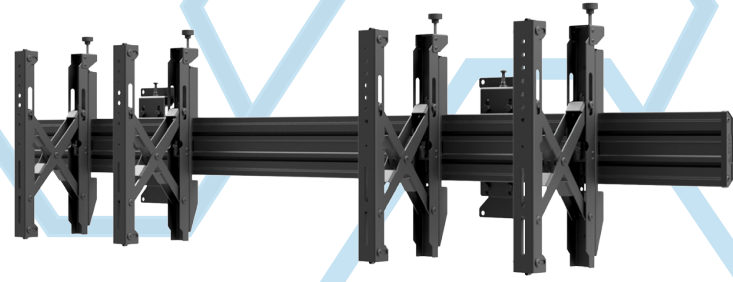

VWM2147POP is a professional pop-out wall mount designed for easy building of a video wall using modules in a comprehensive and visually attractive manner. It is a robust and accurately manufactured menu board wall mount for two 42"-47" screens mounted in landscape orientation. The micro-adjustment system allows you to adjust the position of the screen very precisely and adjust it to the other monitors. The Pop-Out system ensures quick and easy service access. The integrated cable management system allows the cabling to be hidden, guaranteeing aesthetic appearance. VWM2147POP is the number one choice for users who value intuitiveness and ease of use. It is perfect for public areas or restaurants, wherever there is a need for frequent layout changes and dynamic communication with the audience. The mount is designed for quick and easy video wall expansion. Thanks to the modular concept, any configuration of the video wall can be arranged.
